

# What Can I Do at a Disaster Recovery Center?

---

**Release Date: Dec 3, 2020**

FEMA Drive-Thru Disaster Recovery Centers (DRCs) are accessible mobile offices set up in parishes affected by Hurricanes Laura and Delta. They are in convenient spots to allow safe COVID-19 compliant interactions with FEMA staff. Masks or face coverings are required for service. Survivors remain in their cars. A specialist wearing a mask will receive documents through the car window and return them.

You can visit a DRC to learn more about FEMA disaster and recovery assistance. You may also get help to do the following:

- Apply for assistance.
- Learn the status of your FEMA application.
- Understand any letters you get from FEMA.
- Find housing and rental assistance information.
- Get answers to questions or resolve problems.
- Get referrals to agencies that may offer other assistance.
- Learn about Small Business Administration (SBA) loan programs.

No appointments are necessary. Hours of operation are 8 a.m. to 5 p.m. Monday through Friday, 10 a.m. to 3 p.m. Saturday and closed on Sunday.
